Planning to Run for Office?

In 2017, you'll be voting on FOUR seats (3 city

council & 1 mayor). Local elections are where the “rubber meets the road” and city council members have the power to make a real difference in the community. While local elections don’t receive the press coverage that presidential elections do, the results of local elections impact your daily life in very real ways. Orem needs dedicated residents willing to lead and serve.

What are the requirements for running for city office?

1. Must be 18 years old or older
2. Must be registered as an Orem voter
3. Must have lived in Orem or recent annexation area for 12 consecutive months immediately preceding the date of the election
4. Any mentally incompetent person, any person convicted of a felony, or any person convicted of treason or a crime against the elective franchise may not hold office in this state until the right to vote or hold elective office is restored as provided by statute (see sections 20A•2•101.3 or 20A•2•101.5)

2017 Election Dates

Filing Period - Regular business hours, June 1 through June 7th at 5pm.

Primary Election (if needed) - August 15th

General Election - Nov. 7th

Winter Utility Bill Reminder

Wondering why your utility bill has been the same the last couple of months?

Due to cold temperatures and snowy weather conditions, we are not reading your meter during the winter. The bill you receive during winter months is just for base fees + sewer usage (based on average water usage during winter months).

Come Spring, we will read your meter and that bill will include a charge for the water you used during the Winter months (up to 5 months).

Please call 801-229-7275 with any questions.

Advice From an Organization Expert

Why not organize your home, kitchen, or office for your New Year's resolution?

Professional organizer Vicki Winterton of organize-utah.com will show you how to get rid of clutter, conquer your closets, and regain control of your home or office for less stress and greater success in this hour-long seminar.

Christmas Tree Disposal

You still have until January 22 to drop-off your Christmas tree at several city locations.

You must transport your tree(s) to a designated collection site. Please remove all decorations. Flocked trees and household garbage will not be accepted.

Please do not leave your tree at an unmarked location or leave it on your city street. Schools, churches, or other private dumpsters are not approved Drop-Off locations. Your cooperation is appreciated.

Drop Sites:

Sharon Park, 500 North 275 East
Foothill Park, 1010 North 1200 East
Scera Pool, 600 South State Street
Hillcrest Park, 1400 South 700 East
Cherry Hill Park, 1800 South 220 East
Westmore Park, 1050 South Main
Springwater Park, 945 South Artesian Road

Phantom Dumper Update

We are making some strides in the investigation of the Phantom Dumper. We have been testing different materials and have found a match with the type of insulation that is commonly sprayed into attics and used in homes. This insulation is made with recycled paper, which would make sense with our original test showing it was a "fibrous material."

We aren't ruling out all other materials, but we have increased our focus on

companies using this type of insulation.
